Re: Notice of File Closure for Small Mining Activities, Pendleton Gypsum Mine, S/053/021,
Washington County, Utah

Dear Mr. Stout:

On April 16, 1999 the Division performed a site inspection of the Pendleton Gypsum small mining site which is located in the SW1/4 of Section 7, T43S, R15W, Washington County, Utah. A copy of the inspection memo is enclosed.

As the newly implemented \$100.00 fees were not paid, the Division is closing your mining notice and retiring the file. You are hereby released from any further mining or reclamation responsibilities at this site. If you plan to conduct any new mining related activities in this area, you will need to submit the appropriate notice of intention, pay the Division permit fee, and receive written approval(s), prior to commencing any such activities. The BLM concurs with this action..

If you have any questions or concerns regarding this action, please contact me at (801) 538-5310.

Sincerely,

Lynn Kunzler
Senior Reclamation Specialist
